

Admission to Semester-long Courses in AI and ML

Objective

IIT Jodhpur invites applications for admission to the semester-long course in Artificial Intelligence (AI) and Machine Learning (ML). AI has been emerging as a core technology with a significant impact on productivity. Under the broad guidelines of NEP of the Government of India, we are providing an opportunity to the applicants to undergo a formal course in AI and ML to cater to the immediate requirement of trained manpower in emerging AI technologies.

Eligibility

The applicant must have a bachelor's degree in engineering (4 year program) in any discipline or a master's degree in science, MCA, or equivalent.

Course Fee

INR 6000/- per credit.

Important Dates

Last date of filling online application form: ~~December 20, 2021~~ December 28, 2021

Key Highlights

1. Certificate for successful completion of course
2. Credits can be used as part of the degree requirements for Executive M.Tech. AI program if a student takes admission in the Executive M.Tech. AI program
3. Classes would be held on evenings and weekends.
4. Provision for adding credits in the forthcoming semesters.
